

Relationship Workshop (No.125th Session)

Have an excellent relationships through understanding the invisible dynamics behind each relationships

Everyone is in relationships...

From Birth till Death, we can never be separated
from “Relationships”

Relationships are the most important subject in life!

Relationship Workshop uses Systemic Constellation, Healing dialogue and activities to organize and clarify the hidden dynamics behind each relationship.

Reveal the hidden dynamics in our subconscious, rekindle the love that lies within each and everyone of us. Then the love will flow and relationships will flourish!

Experienced trainers from Taiwan and Malaysia will lead you to explore and learn :

1. The effects of “Relationship” on your work, career, family and health.
2. How to unleash your true influence in every relationships?
3. How to transform the entangled emotions in every relationships to feeling of love, happiness and strength?
4. Understand the hidden dynamics behind each happenings.

Participants Feedback:

Through attending Relationship Workshop, I got to see many facet of life.

I started to realize that many happenings in my family were effects of previous generation where love was “stuck”. When we can connect with our family and parents, love will start to flow and this has great effects on all my relationships (with my boss, colleagues, spouse, and children).

With the power of love, we can start to respect and appreciate every living being. Then our life will start to expand and change.

Relationship Workshop Content

1. Understand our relationships and the hidden dynamics behind each of the relationship.
2. Real life Cases. Situations and issues brought up by the participants (relating to work, family, wealth, emotions, health) will be explored. With the help of Systemic Constellation and Healing Dialogue, participants can not only learn but also experience the process where the source of the problem can be resolved with the flow of love.
3. Arrange the “Order of Relationships”, restore Order and rebuild Relationships.
4. Learn to “connect” with all the people around us with love.
