It is with great pleasure that I am able to confirm that ATCEN has partnered with Western Kentucky University and is representing our university in Malaysia. Students who are interested in pursuing studies at a university within the United States can feel confident that ATCEN SDN BHD is an official representative company which has a contract agreement to represent Western Kentucky University through January 2009.

Should you have any questions about Western Kentucky University or the relationship between Western Kentucky University and ATCEN please feel free to contact me directly at dean.kahler@wku.edu.

Best wishes in your academic studies,
