Dear Friends

Greetings to you, Ernie Chen, and friends at ATCEN and Fusion COMM Solution. This is the first time that we have this special partnership of fund-raising through a talk. This unique event has brought PKIK many friends. Listening to a session of the talk held on 30 June 2004 at the ParkRoyal Hotel was very informative too. My special friends and I enjoyed being present on the day.

Thank you so much for sharing with PKIK. The total contribution received from this talk was RM1880.00. A list of all the names is enclosed for your record. We also thank Fusion COMM Solution for the two gifts. We were delighted that the group attending the talk was captivated by the simple presentations made by our special friends. We hope through them PKIK has been able to create greater awareness that this special group can learn to be more independent and lead a more meaningful life when given the opportunity.

Your support and contribution give us at PKIK encouragement to strive harder in our work for the benefit of our less fortunate friends. Thank you all for sharing with them.

Yours sincerely

Kong Lan Lee  
Director
